Importance of Learning MTL

CHINESE LANGUAGE CURRICULUM

MALAY LANGUAGE CURRICULUM

TAMIL LANGUAGE CURRICULUM

- Emphasis on listening, speaking, reading and writing.
- Emphasis on interaction skills.
- Teaching tailored to meet the different learning needs of students.
- More engaging and appealing teaching materials that capture students' interest.

• Modular approach where all students will take the Core Module; students who require more support can take Bridging/Reinforcement Modules; students with interest and ability to go further can take Enrichment Modules.

• Students will have the opportunity to progress to different levels of achievement in their learning.

• Students will have the opportunity to progress to different levels of achievement in their learning. They will also be given more opportunities to practise Spoken Tamil.

School Programmes

1. Mother Tongue Language Fortnight
2. Reading Programme
3. Talent time week
4. Festive celebrations

Xingnan Primary School

Mother Tongue Languages Fortnight

Xingna

How you can support your child in the learning of MTL at home

- Provide an environment that encourages the learning and use of Mother Tongue Languages
- Encourage your child to listen to radio, watch television programmes, read books or magazines in his or her own MTL.
- Encourage your child to prepare for their lessons and to revise after their lessons.
- Help your child to develop his concentration and cultivate good learning habits.
