# A Mother Tongue Language (MTL) Learner in Xingnan

Takes Joy in Learning

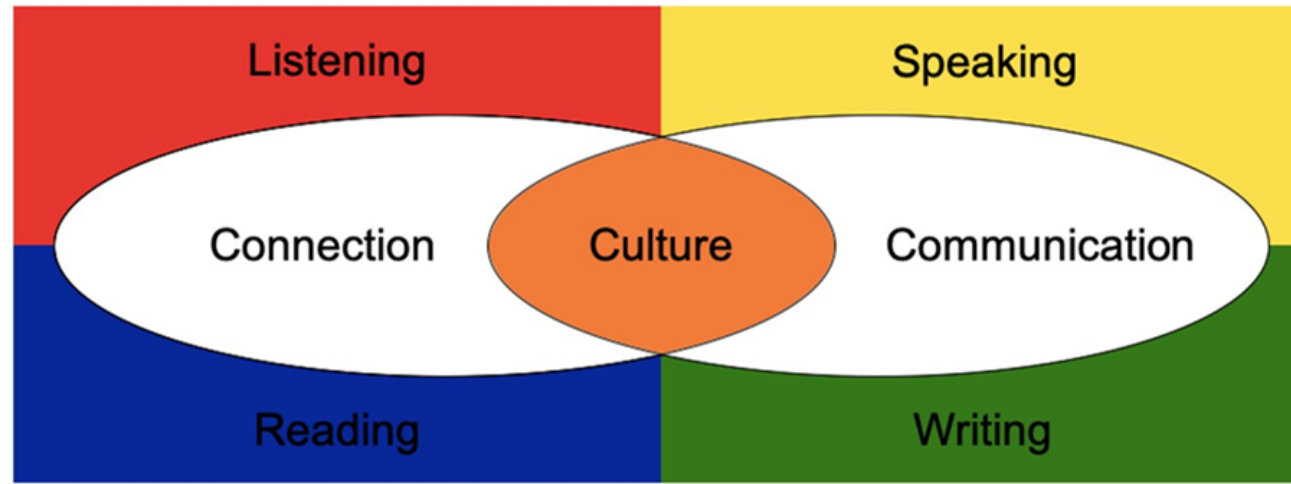

Communicates with others effectively

Connects with the world confidently

Stays rooted in the culture with pride

Learning MTL is a joyful experience for pupils at Xingnan Primary School. Through the use of varied and vibrant pedagogies, as represented by the colours in the framework, teachers curate engaging MTL lessons to build the foundation in the four main language skills for students. Teachers design meaningful cultural experiences to deepen students' understanding of history and culture. With a firm foundation in MTL, every Xingnianian becomes an effective communicator, connects with the world confidently and stays rooted in the culture with pride.

The background of the slide is a photograph of the Xingnan Primary School building. The building is a multi-story structure with a central tower featuring a large arched window and a clock face. The name 'Xingnan Primary School' is prominently displayed in large, white, 3D-style letters across the front of the building. The sky above is blue with some light clouds.

# How you can support your child in the learning of MTL at home

- Provide an environment that encourages the learning and use of Mother Tongue Languages
- Encourage your child to listen to radio, watch television programmes, read books or magazines in his or her own MTL.
- Encourage your child to prepare for their lessons and to revise after their lessons.
- Help your child to develop his concentration and cultivate good learning habits.
